DECEMBER MAGIC
WEESHUIS GOUDA

It is the vista from outside to inside that immediately evokes the magical atmosphere of Christmas, the light tones of thousands of lights on the monumental facades of the historic Orphanage.

The recognisable smell of crackling fire in the courtyard and spices from the 'Christmas kitchen', it harmonises like a perfect duet.

"Christmas spirit in every suite, rustling skirts, you raise a glass: 'to all that has been, all that is and all that is to come...'"

COCO'S "GIRLS WITH PEARLS" CHRISTMAS TEA

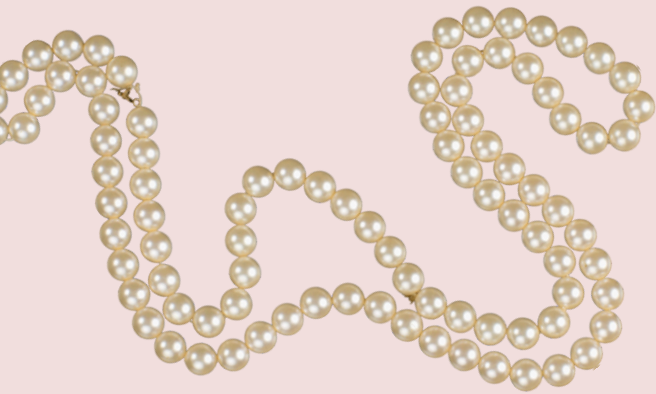

Shine, Sparkle and Shine!

During our 'Girls with Pearls Christmas Tea' - we honour the elegance of pearls as well as celebrate their sophistication! COCO (also the name of our Coffee & Cocktail bar) was the inspiration for our latest Afternoon Tea!

Christmas Tea

We asked our (most classic) pastry chef to 'put the pearl under the microscope'! This High Tea experience, at this time of year, is about fashion, pearls (ofcourse) and has a nod from COCO. An extensive Afternoon Tea with Scones, sandwiches, friandises, savoury and sweet (Christmas) treats from our own Patisserie. Delicacies in the form of pearls, jewellery, fashion and everything that makes the festive months radiant and, of course, the Christmas tea selection from Dammann Frères Paris.
